MODLIGHT ILLUMIX CLASSIC LINE

EXCELLENT LIGHTNING FOR ANY JOB

The LED machine light Illumix Classic Line has an M12 port and displays its strengths in harsh, industrial environments:

It is robust and provides perfect illumination in daylight quality. The compact, alluminium design allows this product to be used in small spaces, so it can be mounted in almost any machine or system.

- Protected IP67 – suitable for use in environments with coolants and lubricants, flying sparks or shavings

- Extremely high daylight quality lighting (105 lm / W)

- Energy-saving LED technology – maintenance-free and durable

- Rotatable mounting brackets

- Fast and secure mounting
